Properties

- Pallet dimensions
- Stackable
- Easy and fast connection
- Robust, even for outdoor installation

Technical description

Water tank with IBC-container of polythene (HDPE) on the plastic casing palette with welded, galvanised tubular steel frame and sliding tap valve. The water tank is frequently stackable and through flexible hose connections easy to connect. WT 1000 guarantees a fast provision of purified water as per the filling guidelines SWKI BT102-01.
